			Activities	Duration in months from the effective date of Contract
			Completion/ Delivery Schedule	
		Name of the Project	Procurement of Emergency Restoration System (ERS) for 2 X 400 kV S/c Parbati – Koldam Transmission Line and 400 kV D/c Koldam – Ludhiana Transmission Line	10 (Ten) Months

Annexure – A (BDS)

QUALIFICATION REQUIREMENTS FOR BIDDERS

Procurement of Emergency Restoration System (ERS) for 2 X 400 kV S/c Parbati – Koldam Transmission Line and 400 kV D/c Koldam – Ludhiana Transmission Line

1.0 General Requirements

Qualification of bidder will be based on meeting the minimum pass/fail criteria specified below regarding the Bidder's technical experience and financial position as demonstrated by the Bidder's responses in the corresponding Bid Schedules.

The Purchaser may assess the capacity and capability of the bidder, to successfully execute the scope of work covered under the package within stipulated completion period. The assessment shall inter-alia include (i) document verification; (ii) bidders work/manufacturing facilities of original manufacturer visit; (iii) manufacturing capacity, details of work executed, works in hand, anticipated in future & the balance capacity available for the present scope of work; (iv) details of Plant and machinery, manufacturing and testing facilities, manpower and financial resources; (v) details of quality systems in place; (vi) past experience and performance; (vii) customer feedback; (viii) Banker's feedback etc.

Purchaser (PrKTCL) reserves the right to waive minor deviations if they do not materially affect the capability of the Bidder to perform the contract.

- 1.1 The bidder shall be (i) a qualified manufacturer of Emergency Restoration System consisting of modular sub structures for emergency restoration of transmission lines for the last five years or (ii) a qualified licensee of a qualified manufacturer (or licensor, as the case may be) meeting the specified requirements for the last five years, or (iii) a qualified supplier of Emergency Restoration System consisting of modular substructures for emergency restoration of transmission lines or (iv) authorized channel partner of original/ qualified manufacturer of Emergency Restoration System consisting of modular sub structures for emergency restoration of transmission lines for the last five years .
- 1.2 Manufacturers/ licensees / authorized channel partners shall have adequate design infrastructure and manufacturing facilities and capacity and procedures including quality control of their own or through their respective original manufacturers.
- 1.3 A qualified licensee/ authorized channel partner of a qualified manufacturer/licensor/ original manufacturer of Emergency Restoration System shall comply with all of the following requirements and furnish a joint undertaking by the licensor/original manufacturer alongwith the bidder in its bid as per proforma enclosed in Volume III: Other Bid Forms of the bidding document:

- a) Any design undertaken by the licensee/ authorized channel partner shall be approved by the licensor/ qualified manufacturer;
 - b) Manufacturing by the licensee/ authorized channel partner shall be done with the approval of the licensor/ qualified manufacturer and Purchaser under a quality assurance program approved and monitored by the licensor/ qualified manufacturer;
 - c) Licensee/ authorized channel partner must furnish backup guarantee from the Licensor/ qualified manufacturer for individual and overall performance of all equipment and materials supplied under the Contract.
 - d) Licensor/ qualified manufacturer must guarantee sequential and timely supply of equipment and materials and submission of technical information & data as desired by the Purchaser so as to meet the overall contractual schedule; and
 - e) The agreement between licensee/ authorized channel partner and licensor/ qualified manufacturer (copy to be submitted along with the bid) that shall be valid for a period of at least five (5) years after the Defect Liability Period of the equipment and materials under supply is over.
- 1.4. Bidder shall submit its bid inclusive of all applicable taxes and duties including custom duty. The submitted Bid shall be in Indian Rupees only.

2.0 Technical Experience

- 2.1. The qualified manufacturer/supplier/ licensee/ authorized channel partner should have designed, manufactured/got manufactured, tested/got tested and supplied Emergency Restoration system consisting of modular sub structures for 345kV or above voltage transmission lines within the last five years as on. **15.03.2024**.
- 2.2. The qualified manufacturer/supplier/ licensee/ authorized channel partner should have supplied minimum 2 (Two) sets (minimum 6 Nos. of ERS Towers per set to be counted) of Single Circuit Emergency Restoration Towers consisting of modular structures for 345kV or above in India during the last 5 years as on 15.03.2024.
- 2.3. Out of the above supplied 2 (Two) sets of ERS, any one should have been used at least once for restoration of 345kV or above voltage transmission line(s) and should have minimum 2 years of performance certificate issued by its purchaser for satisfactory performance of the supplied system before 15.03.2024. (Completion certificate and performance certificate to be submitted as proof).
- 2.4. In case bidder is other than the original/ qualified manufacturer, the technical experience referred to in clause 2.1 above can be utilized through unconditional and irrevocable Manufacturer's Authorization Form attached in Volume III: Other Bid Forms from original/ qualified manufacturer. However, submission of Completion certificates and performance certificate as mentioned in clause 2.2 and 2.3 above shall be a mandatory requirement to be fulfilled.

3.0 Financial Position

3.1 For the purpose of this particular bid, bidders shall meet the following minimum criteria:

a) Net Worth for last 3 financial years should be positive.

* Note- The computation of Net Worth will be as per the definition given by section 2 (57) of The Companies Act, 2013 which is as follows:

“The aggregate value of the paid-up share capital and all reserves created out of the profits and securities premium account, after deducting the aggregate value of the accumulated losses, deferred expenditure and miscellaneous expenditure not written off, as per the audited balance sheet, but does not include reserves created out of revaluation of assets, write-back of depreciation and amalgamation.”

b) Average Annual Turnover* (AAT) of the bidder for best three years i.e., 36 months out of last five financial years as annualized should be at least Rs. 200 million or equivalent for Package

* Note- “Annual gross revenue from operations/gross operating income as incorporated in the profit & loss account excluding other operative income/ other income”.

c) Bidder shall have Liquid Assets (LA) and/or evidence of access to or availability of credit facilities of not less than Rs. 50 million or equivalent for Project.

* Note- LA shall be computed as per the formula given below:

$$LA = \text{Current Assets} - \text{Inventory}$$

Note 1: - In case bidder is a holding company, the Financial Position criteria referred to in clause 1.2 above shall be that of holding company only (i.e., excluding its subsidiary / group companies). In case bidder is a subsidiary of a holding company, the Financial Position criteria referred to in clause 1.2 above shall be that of subsidiary company only (i.e., excluding its holding company)

4.0 The bidder shall furnish documentary evidence in support of meeting the qualifying requirement stipulated above.
