EXPLANATORY STATEMENT

ITEM NO. 1:

The ordinary resolution contained in the Notice under Item No. 1 relates to resolutions proposed by the Investment Manager of IndiGrid enabling the Board of Investment Manager amendment and/or restatement of the debt security trust deed, debt security documents and matters related thereto.

IndiGrid Infrastructure Trust (the “**Issuer**”) has issued the following series of senior, secured, listed, rated, redeemable, non-convertible debt securities or debentures (the “**Debt Securities**”):

ISIN	Scrip Code	Series Description
INE219X07439	975399	Senior, Secured, Listed, Rated, Redeemable, Non-convertible Debt Securities or Debentures (“Series X”)

Now, the Issuer is proposing to make the following modifications to the terms of the Debt Securities by way of amendment in (a) the offer document / placement memorandum / general information document and key information document, as applicable; (b) the debenture trust deed / debt security trust deed; and (c) all other debenture documents or debt security documents (together, the “**Debt Security Documents**”):

Proposed Modification in Debt Security Documents	Rationale
<p>The following clause of each applicable debt security document / debenture document for the Debt Securities will be modified <u>as shown</u>:</p> <p><i>In case Issuer ventures into other asset class (besides transmission) such other asset class shall not be more than 25% 35% of the total value of InvIT assets as defined by SEBI at that time. In the event value of such other assets class as percentage of value of InvIT assets exceeds 25% 35%, Issuer to take approvals from each Debenture Holder. If approvals are not provided, Issuer will have to prepay without any prepayment premium with 30 days’ notice by way of partial/full prepayment on the basis of the debentures held by the dissenting Debenture Holders.</i></p>	<p>Considering the opportunities available in the power sector and to pursue such opportunities, we intend to modify the existing covenant to enable growth of InvIT in other asset class (Besides transmission) from 25% to 35% of total value of InvIT assets as defined by SEBI. We believe that this will enable growth of the InvIT and further diversification while maintaining overall credit quality.</p>

Accordingly, this notice is for soliciting and obtaining the consent of the holders of each applicable series of the Debt Securities (“**Debt Security Holders**”) to modify the terms thereof in the manner set out above.

The proposed amendments **do not adversely affect the interest of the Debt Security Holders**, including but not limited to:

- reduction in security cover,
- change in repayment terms,
- change in coupon/ yield, or
- dilution of covenants protecting Debt Security Holders.

It is further informed that the proposed amendments do not have any material impact on the operations of IndiGrid.

The Board of Directors of the Investment Manager, at its meeting held on April 13, 2026, had, inter alia, subject to such approvals as may be required, approved amendment and/or restatement of the debt security trust deed, debt security documents and matters related thereto.

None of the Director(s) or Key Managerial Personnel of Investment Manager or their respective relatives are concerned or interested, financial or otherwise in the resolution mentioned at Item No. 1 of this Notice.

The Board of Directors of Investment Manager recommends the resolution set forth in Item No. 1 for the approval of the

Debt Security Holders by way of ordinary resolution (i.e. where the consent of Majority Security Holders / Debenture Holders as defined in the Debt Security Trust Deed under each ISIN is required).

ITEM NO. 2:

The special resolution contained in the Notice under Item No. 2 relates to resolution proposed by the Investment Manager of IndiGrid enabling the Board of Investment Manager amendment and/or restatement of the debt security trust deed, debt security documents and matters related thereto.

IndiGrid Infrastructure Trust (the “**Issuer**”) has issued the following series of senior, secured, listed, rated, redeemable, non-convertible debt securities or debentures (the “**Debt Securities**”):

ISIN	Scrip Code	Series Description
INE219X07439	975399	Senior, Secured, Listed, Rated, Redeemable, Non-convertible Debt Securities or Debentures (“Series X”)

In terms of Regulation 59(2) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015, the approval of the stock exchange will be provided for any material modification to the structure of the Debt Securities only after obtaining consent in writing of the holders of not less than three-fourths, by value of holders of that class of securities. Further, such consent is required to be obtained through remote e-voting facility.

Now, the Issuer is proposing to make the following modifications to the terms of the Debt Securities by way of amendment in (a) the offer document / placement memorandum / general information document and key information document, as applicable; (b) the debenture trust deed / debt security trust deed; and (c) all other debenture documents or debt security documents (together, the “**Debt Security Documents**”):

Proposed Modification in Debt Security Documents	Rationale
<p>The following non-obstante clause, <i>mutatis mutandis</i>, will be included in each applicable debt security document for the Debt Securities:</p> <p><i>Notwithstanding anything contained in any of the financing agreements, (a) any of the Issuer, the HoldCo(s) and/or the SPV(s) shall be permitted to divest, transfer or otherwise dispose of any infrastructure asset(s) and/or divest, transfer or otherwise dispose of equity shares or interest in the HoldCo(s)/SPV(s) by the Issuer, in one or more transactions, the aggregate value of which shall not exceed 2% of the total assets under management (on a cumulative basis) in a particular financial year as per the latest valuation report of all InvIT Assets, and (b) take all necessary actions in connection with such divestments and disposals. Net proceeds from such divestment(s)/transfer(s)/disposal(s) shall be utilized only towards repayment of outstanding debt and/or to re-invest the sale proceeds into another infrastructure asset and/or any other purposes, in each case, in compliance with the SEBI InvIT Regulations. Post completion of such divestment(s)/transfer(s)/disposal(s), the stipulated security cover (if any as required under the financing agreements or applicable regulations) shall continue to be maintained at all times. The security trustee/debenture trustee shall be authorized to issue consent(s) and no-objection certificate(s), release security(ies) and/or pledge(s), execute all necessary documents and take all required actions in connection therewith (if applicable, upon receipt of such security cover confirmation)</i></p>	<p>IndiGrid since its inception, has acquired multiple assets within power sector, resulting in a diversified and growing portfolio of infrastructure assets.</p> <p>As on date, IndiGrid portfolio consists of 45 assets within Transmission & Battery Energy Storage Systems (BESS) and solar across 20 States and 2 Union Territories. With expansion in portfolio, it has also increased operational and geographical intricacies. Considering the disproportionate operational, and administrative efforts required to manage smaller assets, IndiGrid is exploring the divestment of SPVs which are relatively smaller in terms of operational capacity and/or revenue contribution to the overall portfolio. Such calibrated divestment of assets which have been part of the InvIT for a longer time period will enable IndiGrid to ensure better allocation of resources.</p>

Accordingly, this notice is for soliciting and obtaining the consent of the holders of each applicable series of the Debt Securities (“**Debt Security Holders**”) to modify the terms thereof in the manner set out above.

The proposed amendments **do not adversely affect the interest of the Debt Security Holders**, including but not limited to:

- reduction in security cover,
- change in repayment terms,
- change in coupon/ yield, or
- dilution of covenants protecting Debt Security Holders.

It is further informed that the proposed amendments do not have any material impact on the operations of IndiGrid.

The Board of Directors of the Investment Manager, at its meeting held on April 13, 2026, had, inter alia, subject to such approvals as may be required, approved amendment and/or restatement of the debt security trust deed, debt security documents and matters related thereto.

None of the Director(s) or Key Managerial Personnel of Investment Manager or their respective relatives are concerned or interested, financial or otherwise in the resolution mentioned at Item No. 2 of this Notice.

The Board of Directors of Investment Manager recommends the resolution set forth in Item No. 2 for the approval of the Debt Security Holders by way of special majority.
